Subject: Gold King documents now in SDMS

Hi Kelcey – The documents you gave me a little while ago have now been entered in SDMS (#1570601-1570605). These records are undergoing QC right now, and the documents should be scanned (on highest priority) within a few minutes. I'll let you know as soon as they have been, though as I said, it may take a little while for the PDF images to propagate through the system. Please let me know if we can be of further assistance.

Best wishes,

Marcus
